

*Love is in  
the Air*

# Happy Valentine's Day!

There's something in the air (and it doesn't require a mask).

**It's LOVE!**

You make the world a better place for USM students  
in so many ways and we love you for it.

Thank you for all you do.

A virtual XOXOXO

from your friends at the USM Foundation

Please stay healthy and safe and know we're thinking of you.
